

Golden Pen Writing Course

6 week writing course for beginners & intermediate

The course will look at poetry and fiction and will aim to support each individual in whatever stage they are at. It is person centred and will provide tools and structures to proceed and develop in the future so that the learning continues after the course ends.

A very experienced teacher and facilitator, Susie's approach is gentle and encouraging but extremely practical.

Susie Lamb is a working mother and juggles her time between performing, writing, and teaching. A published writer, she writes poetry, fiction and drama. She has received a number of bursaries in support of her writing, for example the Dingle poetry bursary and the Tyrone Guthrie bursary. She has performed a lot of her work in the Kilkenny area as well as nationally.
